**Dear Madam / Sir ;**

I would like to have a visa application for myself . I will visit your country between 00/00/0000 & 00/00/0000 for touristic purposes.

All expenses incurred during those trips to the SHENGEN COUNTRIES will be covered by myself . I hereby confirm and guarantee that I will not overstay in your country or another Shengen State beyond the validity of the visa issued by you.

I would much appreciate if you could kindly grant the necessary and long term multiple visa for me .
